**Togiak Herring
Announcement 16**

This is the Alaska Department of Fish & Game in Dillingham with an announcement regarding the Togiak herring fishery.

The Togiak sac roe herring gillnet harvest on May 27 was 144 tons. All buyers have announced that they are done buying herring. The Togiak sac roe herring gillnet fishery will close as scheduled at 12:00 noon today, May 28, and remain closed for the remainder of the 2013 season. The total gillnet harvest is 8,552 tons of herring, 94.8% of the quota.

The department again would like to thank processors and fishermen for their assistance with reports and samples. Processors are reminded that they should submit final operations reports with fish tickets to the department in Dillingham by June 7.
